

Join us this summer!

Walton Robotics Summer Camp 2019

Hosted By: Walton Robotics FIRST Team 2974

LEGO EV3 Camp

The LEGO EV3 Camp is a camp designed for students who have little experience in robotics. Students will learn to collaborate by designing, building, and programming the EV3 to solve various game challenges. Students will also gain experience in utilizing sensors for advanced performance of the robot.

- Camp Dates: June 3-6, 2019
- Where: Walton High School
1590 Bill Murdock Rd
Marietta, GA 30062
- For rising 6th through 8th graders
- Cost: \$300
- Time: Monday through Thursday 9AM to 3PM
- Snack will be provided each day
- Registration can be found at www.waltonrobotics.org
- Questions? Email Lead Mentor: neysa.lee@waltonrobotics.org or Student Lead: sophia.skordeles@waltonrobotics.org
